16. PROPERTY INSPECTION/ INVESTIGATION (Choose ONLY ONE of the following Alternatives):

ALTERNATIVE 1:

(a) Property Condition: As to all permanent improvements except:

, it is a condition of this contract that (i) the built-in appliances, electrical system, plumbing system, heating and cooling systems, roof coverings (including flashing and gutters), doors and windows, exterior building surfaces, structural components (including foundations, retaining walls, columns, chimneys, floors, walls, ceilings and roofs), porches and docks, fireplaces and flues, crawl space and attic ventilation systems (if any), water and sewer systems (public and private), shall be performing the function for which intended and shall not be in need of immediate repair; (ii) there shall be no unusual drainage conditions or evidence of excessive moisture adversely affecting the structure(s); and (iii) there shall be no friable asbestos or existing environmental contamination.

(b) Inspections/Repair Negotiations: Buyer, at Buyer's expense, may inspect or obtain such inspections of the Property as Buyer deems appropriate. Only items covered by subsections (a)(i), (a)(ii), and (a)(iii) above ("Necessary Repairs") are included in repair negotiations under this contract. All inspections, including but not limited to any additional inspections recommended by Buyer's inspector(s), shall be completed and written notice of Necessary Repairs shall be given to Seller on or before _____ (the "Repair Notice Date"). Seller shall have the option of completing Necessary Repairs or refusing to complete them. Seller shall provide written notice to Buyer of Seller's response within _____ days of Buyer's notice, **TIME BEING OF THE ESSENCE**. Seller's failure to provide said notice as required shall constitute an election by the Seller not to complete Necessary Repairs. If Seller elects not to complete all Necessary Repairs, then Buyer shall have the option of (a) accepting the Property in its present condition, (b) accepting Seller's offer to make repairs to the extent and as described in the Seller's response, or (c) terminating this contract, in which case all earnest monies shall be refunded. The Buyer shall deliver the Buyer's written decision to Seller within five (5) days after receiving the Seller's written response, or Seller's failure to respond, **TIME BEING OF THE ESSENCE**. Failure of Buyer to provide this written decision by the time stated herein shall constitute acceptance of Seller's agreement to make repairs to the extent and as described in the Seller's response. Buyer shall have the right to verify that any Necessary Repairs have been completed in a good and workmanlike manner.

(c) Wood-Destroying Insects: Buyer shall have the option of obtaining, at Buyer's expense, a report from a licensed pest control operator on a standard form in accordance with the regulations of the North Carolina Structural Pest Control Committee, stating that as to all structures, except _____, there was no visible evidence of wood-destroying insects and containing no indication of visible damage therefrom. The report must be obtained on or before the Repair Notice Date. If the report indicates that there is visible evidence of wood-destroying insects or visible damage therefrom, Seller shall have the option of performing any required treatment or completing Necessary Repairs, or refusing to perform any required treatment or complete Necessary Repairs. If Seller elects not to perform required treatment or complete Necessary Repairs, Buyer shall have the option of accepting the Property without the required treatment or Necessary Repairs, or terminating the contract, in which case all earnest monies shall be refunded. Buyer and Seller shall exercise their respective rights under this subsection (c) in the same manner and within the same time limitations as set forth in subsection (b) above. The Buyer is advised that the inspection report described in this paragraph may not always reveal either structural damage or damage caused by agents or organisms other than wood-destroying insects. If new construction, Seller shall provide a standard warranty of termite soil treatment.

(d) Radon Inspection: Buyer shall have the option, at Buyer's expense, to have the Property tested for radon on or before the Repair Notice Date. The test result shall be deemed satisfactory to Buyer if it indicates a radon level of less than 4.0 pico curies per liter of air (as of January 1, 1997, EPA guidelines reflect an "acceptable" level as anything less than 4.0 pico curies per liter of air). If the test result exceeds the above-mentioned level, Seller shall have the option of: a) remediating to bring the radon level within the satisfactory range; or b) refusing to remediate. Upon the completion of remediation, Buyer may have a radon test performed at Seller's expense, and if the test result indicates a radon level less than 4.0 pico curies per liter of air, it shall be deemed satisfactory to the Buyer. If Seller elects not to remediate, or if remediation is attempted but fails to bring the radon level within the satisfactory range, Buyer shall have the option of a) accepting the Property with its then current radon level; or b) terminating the contract, in which case all earnest monies shall be refunded. Buyer and Seller shall exercise their respective rights under this subsection (d) in the same manner and within the same time limitations as set forth in subsection (b) above.

(e) Cost Of Repair Contingency: In addition to the above, Buyer shall have the right to terminate this contract if a reasonable estimate obtained by Buyer of the total cost of Necessary Repairs equals or exceeds \$ _____. This right may be exercised by Buyer

without regard to any decision by Seller to complete, or refuse to complete, Necessary Repairs. Buyer shall notify the Seller in writing of its decision to terminate this contract under this Cost of Repair Contingency no later than seven (7) days following the Repair Notice Date, **TIME BEING OF THE ESSENCE**, in which case all earnest monies shall be refunded to Buyer. Neither the cost of wood-destroying insect treatment under subsection (c) above nor the cost of radon remediation under subsection (d) above shall be included in the cost of repairs under this subsection (e).

(f) CLOSING SHALL CONSTITUTE ACCEPTANCE OF THE PROPERTY IN ITS THEN EXISTING CONDITION UNLESS PROVISION IS OTHERWISE MADE IN WRITING.

ALTERNATIVE 2: (This Alternative applies ONLY if Alternative 2 is checked, AND Buyer has paid the Option Fee.)

(a) Property Investigation with Option to Terminate: In consideration of the sum set forth in paragraph 4(c) paid by Buyer to Seller (not Escrow Agent) and other valuable consideration, the sufficiency of which is hereby acknowledged (the "Option Fee"), Buyer shall have the right to terminate this contract for any reason or no reason, whether related to the physical condition of the Property or otherwise, by delivering to Seller written notice of termination (the "Termination Notice") by 5:00 p.m. on

_____, **TIME BEING OF THE ESSENCE** (the "Option Termination Date"). At any time prior to Closing, Buyer shall have the right to inspect the Property at Buyer's expense (Buyer is advised to have all inspections/investigations of the Property, including but not limited to those matters set forth in Alternative 1, performed prior to the Option Termination Date).

(b) Exercise of Option: If Buyer delivers the Termination Notice prior to the Option Termination Date, **TIME BEING OF THE ESSENCE**, this contract shall become null and void and all earnest monies received in connection herewith shall be refunded to Buyer; however, the Option Fee will not be refunded and shall be retained by Seller. If Buyer fails to deliver the Termination Notice to Seller prior to the Option Termination Date, then Buyer will be deemed to have accepted the Property in its physical condition existing as of the Option Termination Date; provided such acceptance shall not constitute a waiver of any rights Buyer has under paragraphs 5, 6 or 7 above. The Option Fee is not refundable, is not a part of any earnest monies, and will be credited to the purchase price at Closing.

(c) CLOSING SHALL CONSTITUTE ACCEPTANCE OF THE PROPERTY IN ITS THEN EXISTING CONDITION UNLESS PROVISION IS OTHERWISE MADE IN WRITING.

17. REASONABLE ACCESS/RESTORATION AND INDEMNITY: Seller will provide reasonable access to the Property (including working, existing utilities) through the earlier of Closing or possession by Buyer. Buyer and Buyer's agents and contractors shall have the right to enter upon the Property for the purpose of appraising and evaluating the Property, and performing the tests and inspections permitted in this contract. Buyer shall, at Buyer's expense, promptly repair any damage to the Property resulting from any activities of Buyer and Buyer's agents and contractors, but Buyer shall not be responsible for any damage caused by accepted practices either approved by the NC Home Inspector Licensure Board or applicable to any other NC licensed professional performing the inspection that reveal Necessary Repairs as defined under Alternative 1 of paragraph 16. Buyer will indemnify and hold Seller harmless from all loss, damage, claims, suits or costs, which shall arise out of any contract, agreement, or injury to any person or property as a result of any activities of Buyer and Buyer's agents and contractors relating to the Property except for any loss, damage, claim, suit or cost arising out of pre-existing conditions of the Property and/or out of Seller's negligence or willful acts or omissions. This repair obligation and indemnity shall survive this contract and any termination hereof. Buyer may conduct a walk-through inspection of the Property prior to Closing.

18. CLOSING: Closing shall be defined as the date and time of recording of the deed and shall be on or before DEC 4, 2009 6pm (the "Closing Date"). All parties agree to execute any and all documents and papers necessary in connection with Closing and transfer of title on or before the Closing Date at a place and time designated by Buyer. The deed is to be made to _____

Absent agreement to the contrary in this contract or any subsequent modification thereto, the following terms shall apply: If either party is unable to close by the Closing Date, then provided that the party is acting in good faith and with reasonable diligence to proceed to closing, such party shall be entitled to reasonable delay of the Closing Date and shall give as much notice as possible to the non-delaying party and closing agent. In such event, however, either party for whom the Closing Date is delayed shall have a maximum of ten (10) days from the Closing Date, or any extension of the Closing Date agreed-upon in writing, in which to close without payment of interest. Following expiration of the ten-day period, the party not ready to close shall be responsible for paying to the other party (if ready, willing and able to close) interest on the purchase price at the rate of eight percent (8%) per annum accruing from the end of the ten-day period until closing occurs or the contract is terminated. Should the delay in closing continue for more than thirty (30) days from the Closing Date or the last agreed-upon extension of the Closing Date, then the non-delaying party shall have the unilateral right to terminate the contract and receive the earnest money, but the right to such receipt shall not affect any other remedies available to the non-delaying party for such breach.

19. POSSESSION: Unless otherwise provided herein, possession shall be delivered at Closing. In the event possession is NOT to be delivered at Closing: a Buyer Possession Before Closing Agreement is attached OR a Seller Possession After Closing Agreement is attached. Seller shall remove, by the date possession is made available to the Buyer, all personal property which is not a part of the purchase and all garbage and debris from the Property.

Note to Purchasers: If the owner does not give you a Residential Property Disclosure Statement by the time you make your offer to purchase the property, you may under certain conditions cancel any resulting contract and be entitled to a refund of any deposit monies you may have paid. To cancel the contract, you must personally deliver or mail written notice of your decision to cancel to the owner or the owner's agent within three calendar days following your receipt of the Statement, or three calendar days following the date of the contract, whichever occurs first.
